Beautiful custom built pieces for your home

I would love the opportunity to design and build a beautiful custom wood piece for your home!

Experienced Since 1994

Makes a beautiful and unique gift, too!

Quality, custom, hand-crafted woodworking

CUSTOM WOODWORKING

by Mark Triplett

No project is too

big or too small

- Any style from traditional to contemporary
- Custom built using hand–crafted techniques to deliver exquisite products
- Extensive 1,000 sq. ft. wood-working shop utilizing a com-bination of both high tech equipment and quality hand tools
- Using AUTOCAD design soft-ware

Projects including:

- Built in bookcases
- Custom kitchen cabinets
- Entertainment centers
- Wine cabinets
- Fireplace mantles
- Furniture– chairs, dressers, beds
- Unique gifts
